

New Zealand Sportclimbing Federation

P.O Box 339, Rotorua

Invitation

To: Asian Continental Council; Asian Member Federations
From: Oceania Continental Council;
Date: 1 July 2005
Subject: 2005 Oceania Championships

The Oceania Continental council has reinstated the Oceania Championship competition in 2004. The event was highly successful. As you may be aware the Oceania Continental council currently consists of only two countries, New Zealand and Australia. As part of the development programme for the Oceania region it has been identified that Oceania climbers require greater competition from abroad.

As a result, we would like to offer climbers from the Asian region an invitation to compete at the 2005 Oceania Cup competition – Sydney (7-9th October 2005). Places are available for Open level and Junior level climbers. To register your interest in competing at this event, please contact Graham Hyland (comp@sportclimbingaustralia.org.au) or James Maguire (info@nzsf.org.nz). Places are limited, so please register your interest as soon as possible.

While you are unable to become Oceania Champion (due to UIAA Climbing regulations) you will be fully ranked in the event. i.e. if you win then you will get first place and all the prizes/medals associated with it.

Details on the event can be found on the Sportclimbing Australia website www.sportclimbingaustralia.org.au shortly.

For further information please feel free to contact either Graham Hyland (comp@sportclimbingaustralia.org.au) or James Maguire (info@nzsf.org.nz or phone +64 21 242 1995)

Regards,

James Maguire
President,
Oceania Continental Council
